

# Rosé Trio Contract Agreement

## What is expected of the musicians:

The musicians will show up in a timely manner and begin playing at the designated time. The musicians will be professionally dressed. The musicians will play the requested music. If, for unavoidable reasons (i.e. illness, or any other condition beyond the group's control), the musicians cannot uphold a service, a competent replacement will be provided. When playing extra hours the musicians may take a 10 minute break per hour after the first hour.

## What is expected of you:

You are expected to supply the musicians with three chairs - preferably chairs with a flat seat and back with no arms. You should supply the musicians with any special music requests as soon as possible to allow time to find the music and rehearse. If the piece is uncommon or rare, you may need to supply the sheet music to the musicians. If an outdoor wedding is scheduled, a hard flat surface with an awning or other covering, and ample lighting is preferable to the musicians. The musicians of the Rose Trio will remain as flexible as possible, however, due to the nature of stringed instruments sustaining damage when exposed to rain or extreme temperatures they reserve the right to refuse playing if the playing conditions are unacceptable. If your ceremony begins late that time may be deducted from your postlude music if we have another wedding to get to.

## The fees:

A wedding ceremony includes 30 minutes of prelude music in addition to the ceremony and postlude music. This service is \$545. Each additional hour is \$150. All other events are \$445 for the first hour and \$150 each extra hour. Mileage fees *may* be charged if the event is outside the Cincinnati/Dayton area. If the trio has been hired to play both the ceremony and reception and more than an hour is scheduled between the two times the trio will be paid \$15 per hour. Payment in full is requested to hold the date If you must cancel our services more than thirty days before your event you will receive a refund of your total amount paid less a \$50 cancellation fee. If you must cancel our services within thirty days, you will receive a refund of your total amount less 50% of your base fee. No refunds will be given if the trio is unable to play outdoors on the day of the event due to inclement weather.
